Attention Bernadet Pawandiwa

Dear Ms Pawandiwa

**Amendment to Phase 1 Heritage Impact Assessment Report of
Proposed Construction of N2/R56 Interchange on National Route 2 Section 21 (km44.30),
Sisonke District Municipality, Greater Kokstad Local Municipality,
KwaZulu-Natal, South Africa**
NEAS Ref: DEA/EIA/0001671/2013; DEA Ref: 14/12/16/3/3/1/822

eThembeni submitted an HIA report for this project to Amafa on 9 February 2012. However, the proposed project layout has altered recently and GIBB (Pty) Ltd requested us to comment on possible impacts on heritage resources.

During the original fieldwork we identified no heritage resources within or adjacent to the proposed development. Having revised the new project layout we are confident that no heritage resources will be affected by the proposed expanded footprint.

Accordingly we request Amafa to grant approval for the proposed project amendment.

Yours sincerely

Len van Schalkwyk and Elizabeth Wahl
