Dear Mary,

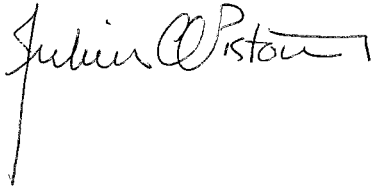

PERMIT NO 80/04/11/021/51 ISSUED ON 14 MARCH 2005 VALID UNTIL 1 APRIL 2008

SAHRA issued the above permit in order to destroy 'a possible historical shooting range thought to be Anglo Boer War' at Modderfontein in the Gauteng Province of South Africa. The site had to be destroyed in order to make way for the development of the new Greenstone Hill Township.

SAHRA is hereby informed that the development of the township is nearing completion. The site was inspected during its development on request of Heartland Properties. No heritage remains of significance or any other conspicuous artefacts were exposed during the development phases of the new residential area.

Heartland Properties (and Mr. Martin van Heerden) is therefore commended for their concern towards any possible heritage that may have been affected by the new development. SAHRA is thanked for issuing the permit and making this important development possible without negating the interest of any possible heritage that may have suffered unnecessarily as a result of the development project.

Kind regards.
