Dear Sgt. Edwana,

### **ASSESSMENT OF FIREARM REQUESTED FOR DEACTIVATION**

In response to your request made to SAHRA to assess the heritage value of the following firearm up for deactivation:

Type: Side by side break neck shotgun  
Make: Bonehill & Son  
Calibre: 12 G  
S/Number: 112583

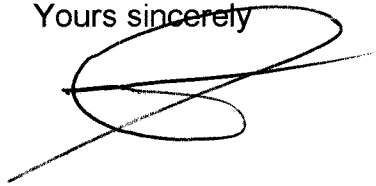

SAHRA referred the matter to expert examiners for assessment on 14 May 2013. On recommendations from the expert examiners the firearm is not of national heritage value for the following reasons.

The expert examiners is of opinion that it is an external hammer cartridge side by side shotgun circa 1900 in a relic inoperable condition with numerous defects. Furthermore they are of the opinion that it therefore does not meet the criteria as defined in the National Heritage Resources Act, No. 25 of 1999.

Based on this recommendation, SAHRA recommend that the firearm may be deactivated.

SAHRA appreciates your co-operation.

Yours sincerely
