Dear Ms Modise

We have received the draft Environmental Impact Assessment report, including the Heritage Impact Assessment entitled '*Heritage Impact Assessment Report: Proposed Phase 2 of a Resort Development Known as the Kingdom Located on Portions 1 and 2 of Waagfontein 89 JQ Near Pilanesberg, Mogwase Municipal Area, North-West Province*'. This report states that the Archaeological Impact Assessment (AIA) by Dr JA van Schalkwyk should be included as an annexure. Unfortunately that document did not reach us. Please send it as soon as possible, as we cannot comment adequately without it.

Yours sincerely

Mrs Mary Leslie
