The District Six Working Committee Board Members

Re: Comment on Heritage Impact Assessment at erf 8019

To Whom It May Concern:

This letter is in response to a request for comment to the proposed intervention at the above mentioned Erf.

The District Working Committee hereby confirm that we support the proposed construction taking place at 130 Sir Lowry Road as relayed in the correspondence and documents submitted to us for comment.

As confirmed during discussions we would like to engage with the applicants with regard to initiatives for direct and indirect social and economic opportunities.

Please contact Dr. Fawzy Basardien as listed below, should you have any queries in regard.

Sincerely

Dr. Fawzy Basardien
