7 DONATION OF A WORK OF ART

The Art Gallery Committee has recommended that the following work of art, offered as a gift from the Anglo American Johannesburg Centenary Trust, be accepted into the Gallery's collection.

Artist	Title	Medium	Donor
Fernando Botero The Anglo	<u>Reclining lady</u>	Pencil on paper	American Johannesburg Centenary Trust

Fernando Botero (b. 1932) was born and educated in Colombia. He later studied art in Spain and Florence. Since 1951, when he began working as an independent artist he has lived in various parts of the world including New York, Paris and South America and has developed a reputation as a major international artist.

Reclining lady is a representative example of Botero's work in terms of subject matter, attitude to the subject and style. It will be a very valuable addition to the Gallery's collection of contemporary international art.

IT IS RECOMMENDED

That the gift of the painting described in this item be accepted and that the thanks of the Council be conveyed to the Anglo American Johannesburg Centenary Trust.
