Dear Mrs Sumner

ESTABLISHMENT OF PROJECT COMMITTEE - NMC RESTORATION TRUST FUND

We refer to your telephonic request on Friday 7 March 1997 regarding the inclusion of the Post Retief Restoration fund raising activities within the NMC's Restoration Trust Fund.

We have received permission from Mr Des Martin, Assistant Director: Administration, to assist you and hereby permit you to use the NMC's Trust Fund number 08 800796 000 0 to collect funds for the restoration, repair and maintenance of the historic Post Retief Baracks, which was declared a national monument in 1975.

The overall administration of the Post Retief Fund will be the responsibility of the NMC. The physical restoration of Post Retief is the task of the individual project committee. The duties of this committee will be as set out in Section 5.2 of the Statutes of the NMC Restoration Trust Fund.

The funds collected should be remitted direct to our Head Office where they will be held in trust pending the confirmation of the NMC's Restoration Trust formalities.

We trust the above arrangement will assist you in the immediately channelling fund-raising efforts and donations into the historic property that you are administering.

We will apply for the Sanlam Restoration Fund this year for your project, which comes up every year and amounts to R 70 000. As there are several applications for this fund, we cannot promise that it will come your way, but can make strong recommendations and then only hope.

Please feel free to contact this office if you have any further queries in this regard.

Yours sincerely

**BRIAN JACKSON: REGIONAL MANAGER
EASTERN CAPE**
