

Environmental Compliance Services  
"ensuring environmental peace of mind"

## COMPANY PROFILE

### Comply 360

Comply 360 is an environmental management consultancy focusing on providing customised compliance solutions to suit both the client and the environment.

### Vision Statement

Comply 360 provides long-term compliance solutions to both the client and the environment, whilst fulfilling the client's requirement to the highest international standards without compromising 'Best Environmental Practice'.

### Quality Statement

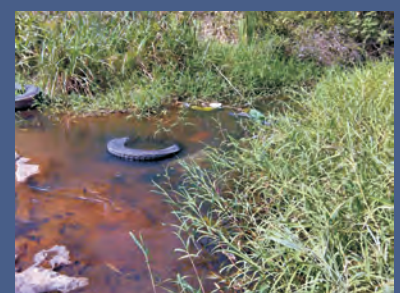

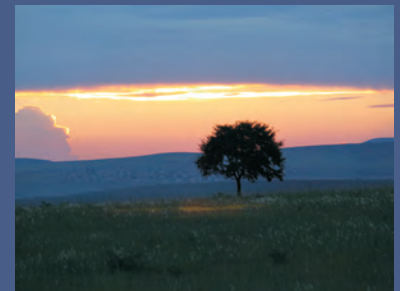

Comply 360 is committed to meeting and exceeding our clients' requirements and continuously improving service provision and satisfaction through a dynamic and integrated quality-management system.

### Environmental Policy

Comply 360 is dedicated to providing services throughout southern Africa in a manner that complies with local and national legislative requirements and is protective of both the built and natural environments. We are aware of the importance of both natural resources and socio-economic development to the quality of human life and will strive to improve the management of our environmental responsibilities continuously.
