Dear Mr Marais

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 06 JUNE 2016 FOR THE CONSTRUCTION AND OPERATION OF THE 75MW SONOBLOMO PHOTOVOLTAIC SOLAR ENERGY FACILITY AND ITS SUPPORTING ELECTRICAL INFRASTRUCTURE PROPOSED BY SOUTH AFRICA MAINSTREAM RENEWABLE POWER DEVELOPMENTS (PTY) LTD NEAR DEALESVILLE IN THE FREE-STATE PROVINCE

The Environmental Authorisation (EA) issued for the abovementioned application by this Department on 06 June 2016, your application for amendment of the EA received by the Department on 16 April 2021 and the acknowledgement letter dated 22 April 2021, refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the Environmental Impact Assessment Regulations, 2014 as amended, has decided to amend the EA dated 06 June 2016, as follows:

Amendment 1: To amend the contact details of the holder of the EA

From:

Mr Michael Mangnall
South Africa Mainstream Renewable Power Developments (Pty) Ltd
P O Box 45063
Claremont
CAPE TOWN

Telephone Number: (021) 657 4058

Telephone Number: (021) 657 4052

The applicant applied to amend the details of the holder of the EA, as the holder of the EA has changed since the EA was issued.

Amendment 2: To extend the validity period of the EA

The activity must commence within a period of five (05) years from the date of expiry of the EA issued on 06 June 2016 (i.e. the EA lapses on 06 June 2026). If commencement of the activity does not occur within this period, the authorisation lapses and a new application for environmental authorisation must be made in order for the activity to be undertaken.

The applicant applied to extend the validity period of the EA as the development was not awarded preferred bidder status in the Department of Mineral Resources and Energy (DMRE) Renewable Energy Independent Power Producer Procurement (REIPPP). The applicant intends to bid this project in the DMRE REIPPP future rounds.

The Department is aware that the environment changes constantly, as a result it might be significantly different from the one that existed at the time of the issuing of this EA, hence the validity of the EA cannot exceed a maximum period of 10 years. Failure to commence with construction activities within the maximum 10 year period, your EA will be deemed to have lapsed and a new application for Environmental Authorisation will have to be lodged.

This proposed amendment letter must be read in conjunction with the EA dated 06 June 2016.

In terms of the Promotion of Administrative Justice Act, 2000 (Act No 3 of 2000), you are entitled to the right to fair, lawful and reasonable administrative action; and to written reasons for administrative action that affects you negatively.
