Dear Mr Marius Venter

RE: APPLICATION FOR RECTIFICATION OF UNAUTHORISED COMMENCEMENT IN TERMS OF THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998 (Act No. 107 OF 1998), DEVELOPMENT OF CHICKEN BREEDER HOUSES AND HATCHERY SUPREME POULTRY AT REMAINDER OF FARM BELGIE 1285, BLOEMFONTEIN FREE STATE.

This letter serves to acknowledge the receipt of application for rectification of the above mentioned activity. Please note that the following reference number has been assigned to this application: 24G/5(ii) (v),8/19/01

Mr. Sello Seekoei is assigned as the case officer for this project and all future correspondence should be directed to him.

The Department is undertaking to process the application received and requires the following:

1. In terms of section 24G (1), the applicant must compile an Impact Assessment Report and submit it to the Department for review.
2. Note that you are also required to do Public Participation and the details concerning Public Participation Process must be included in the report.
3. Application for rectification is subject to an administration fine. The administration fine needs to be paid to the Department prior to the final consideration of the application for rectification. Details pertaining to the payment of the administration fine will be sent after review of the received Impact Assessment Report.
