Dear Sir/Madam

APPROVAL OF AN ENVIRONMENTAL MANAGEMENT PLAN IN TERMS OF SECTION 39 (4) (A) (I – III) OF THE MINERAL AND PETROLEUM RESOURCES DEVELOPMENT ACT, 2002 (ACT 28 OF 2002) FOR A PROSPECTING RIGHT IN RESPECT OF PORTION 1 OF THE FARM GREEFFPUTS 169, SITUATED IN MAGISTRAL DISTRICT OF BARKLY WEST, NORTHERN CAPE PROVINCE BY DE BEERS CONSOLIDATED MINES PROPRIETARY LIMITED.

Please find your approved Environmental Management Plan for your attention and appropriate action. Kindly note that the Environmental Management Plan stipulates Environmental Management and has been approved under the following conditions:

1. This approval doesn't purport to absolve **De Beers Consolidated Mines Proprietary Limited** (the company) from their common law obligations towards the owner(s) of the surface of land affected.
2. Mining activities must conform to all legislation and such other conditions as may be imposed by the Regional Manager or any other official of this office, duly authorized thereto.

De Beers Consolidated Mines Proprietary Limited (11530PR)

3. The company is responsible for all surface disturbances on the prospecting area, which includes all historical surface disturbances.
4. The financial provision provided in terms of section 41 and Regulation 53 of the Act must be annually reviewed and adjusted (Regulation 54 (2) refers) to conform to the above-mentioned mining activities.
5. Note that a copy of the approved Environmental Management Plan must always be available on the mining site for inspection by duly authorized officers.
6. No prospecting waste will be allowed to be deposited in a natural drainage lines, erosion gullies and or dongas, unless agreed thereto in writing with the Regional Manager.
7. Performance assessment report as contemplated in regulation 55 (1) (c) must be submitted every 2 (two) years (from the date on which the permit was granted) to the Regional Manager: Mineral Regulation.

Regards,

.....
REGIONAL MANAGER
NORTHERN CAPE REGION
