PRETORIA  
0183**

Date:

to inform you of the proposed activities on the proposed farms. You have been invited to attend a public meeting to discuss the project and the purpose of this notice is to inform you of the development.

We give you an opportunity to raise any concerns about the proposed activities.

- Incorporate your concerns in the impact assessment report, Basic Assessment Report and Environmental Management Plan, Environmental Support and Environmental Management Programme and Environmental Monitoring and Inspecting activities and have to be approved by the Department of Energy (DMRE).

#### **Project description**

Any of the following exploration methods may be employed:

- Surface sampling;
- Geophysical and geochemical surveys and/or
- Drilling

None of these methods are expected to have any significant impact on the environment.

Surface sampling involves the collection of small surface samples. Drilling

operations will be done with a
