### **Cultural Heritage Impact Assessment of the Proposed Matsheketshehi 20MVA 132/88kV Substation and Associated Powerlines, Newcastle, KwaZulu-Natal**

In view of the findings outlined in the HIA Report by Frans Prins of Active Heritage that we received, where no heritage resources were identified during the Heritage survey, we have no objection to the proposed development.

You are also required to adhere to the below-mentioned standard conditions:

#### Conditions:

1. Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
