SAHRA Ref: 9/2/044/0001

PERMIT
No. 80/12/05/002/51

Issued under Section 35(4) of the National Heritage Resources Act, Act No. 25 of 1999.
Permission is hereby given:

to: Mr B. Engelsman
of: SRK Consulting, Postnet Suite 206, Private Bag X18, Rondebosch, 7701
for: geological investigations which include the drilling of 23 boreholes for shear wave velocity measurements.
at: Thuyaspunt, between Oyster Bay and Cape St Francis
in: the Koega District, Eastern Cape Province.

The following conditions apply:

1. A qualified professional archaeologist must be on site at all times to monitor all surface disturbance activities related to this permit. Should specifications for the proposed work need to change on site, this should be done in consultation with the archaeologist and SAHRA must be informed prior to any further work commencing. SAHRA must be provided with the name and qualifications of the archaeologist employed for the project.
2. If the permit holder is not to be present on the site at all times then SAHRA must be provided with the names and qualifications of the authorised representatives.
3. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be used.
4. A report must be submitted to SAHRA on or before 01 June 2013. SAHRA reserves the right to withhold further permits if progress is not deemed satisfactory.
6. Reprints of all published papers, or copies of theses or reports resulting from this work must be lodged with SAHRA.
7. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
8. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner

must be observed.

9. It is the responsibility of the permit holder to fill in the boreholes once drilling is complete and to protect sites during and after excavation to the satisfaction of SAHRA and the landowner.
10. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
11. SAHRA reserves the right to cancel this permit by notice to the permit holder.
12. This permit is subject to a general appeal and may be suspended should an appeal against the decisions be received by SAHRA within 14 days from the date of the permit. SAHRA may not be held responsible for any costs or losses incurred in the event of the suspension or retraction of this permit.

This permit is valid until 01 June 2013.
