PERMIT No. 80/09/07/003/51

Issued under Section 35(4) of the National Heritage Resources Act, Act No. 25 of 1999. Permission is hereby given:

to: Mr Mark McGranaghan [passport number: 203305825], in association with Mr David Morris [ID: 5706205145086], acting as Principal Investigator,
of: Hartford College, Catte Street, University of Oxford, OX1 3BW,
for: the excavation of a /Xam San living site associated with the remains of the London Missionary Society Station,
at: Kerk Plaats, at approximately 21.54, 31.59,
on: the farm Kerk Plaats 251,
in: the Fraserburg District, Northern Cape Province.

The following conditions apply:

1. The excavation methodology must be approved by the Principal Investigator prior to starting work and should preferably be discussed on site.
2. If the permit holder is not to be present on the site at all times then SAHRA must be provided with the names and qualifications of the authorised representatives.
3. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be used. Note that the position of all excavations must be marked on a plan of each site.
4. A standard site record form must be lodged with the McGregor Museum.
5. All material collected and excavated, as well as field notes and records, will be curated by the McGregor Museum.
6. A progress report must be submitted to SAHRA on or before 01 August 2010 and 01 August 2011 and a final report is due on or before 01 August 2012. SAHRA reserves the right to withhold further permits if progress is not deemed satisfactory. Please see the SAHRA minimum standards for Phase 2 reports.
7. Reprints of all published papers, or copies of theses or reports resulting from this work must be lodged with SAHRA.
8. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
9. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
10. It is the responsibility of the permit holder to fill in excavations and protect sites during and after excavation to the satisfaction of SAHRA and the landowner.
11. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
12. SAHRA reserves the right to cancel this permit by notice to the permit holder.
13. This permit is subject to a general appeal and may be suspended should an appeal against the decisions be received by SAHRA within 14 days from the date of the permit. SAHRA may not be held responsible for any costs or losses incurred in the event of the suspension or retraction of this permit.

This permit is valid until 01 August 2012.
