(Including some material which has not been allocated a permanent accession number)
from: the Mapungubwe Museum, University of Pretoria, Gauteng province.

The following conditions apply:

1. Samples must be selected by the permit holder in consultation with the excavator or curator who must ensure that comparative samples are retained in the collections, and that any samples not used by the analyser are returned to the collections.
2. Sampling must be done with minimum damage to the artefacts or objects and according to principles outlined in the application from the permit holder.
3. The samples must all be labelled with the relevant accession numbers and all packets and boxes containing the samples must be labelled with accession number (where available), the name of the site, and the name and address of the institution where the collection is kept.
4. An report on the results of the analyses must be submitted to SAHRA on 1 August 2007.
5. Reprints of all published papers, or copies of theses or reports resulting from this work must be lodged with SAHRA.
6. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
7. SAHRA reserves the right to cancel this permit by notice to the permit holder.

This permit is valid until 1 August 2007.
