material in a condition that allows ongoing research.

8. Annual permit reports on the results of the excavations and analyses must be submitted to SAHRA via email (apmpermitreports@sahra.org.za) on or before 31 May 2020 and 2021, and a final permit report on or before 31 May 2022. SAHRA reserves the right to withhold further permits if progress is not deemed satisfactory. Permit reports can be made available to researchers on request within three years of the lapsing of this permit.

9. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with SAHRA.

10. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and the excavator is responsible for ensuring that he or she has an understanding with the landowner concerning: the number of visitors and workers; conditions for camping on the property; speed limits on access roads; possible prohibitions on off-road driving; size, type and number of vehicles permitted; possible prohibitions on trespassing beyond the site; disturbing fauna, flora or substrate; erection and demolition of structures on the site; appropriate hours of visiting and working on the site; use of firewood, electricity and water; lighting fires and the prevention of uncontrolled fires and any fencing necessary to protect livestock. Conditions of access imposed by the landowner must be observed.

11. The permitted excavator shall be responsible for the activities and impacts of all colleagues, students and employees under his or her supervision.

12. Excavators must take measures to ensure the safety of any person who may enter the excavation site as part of their excavation team or as their visitor.

13. It is the responsibility of the permit holder to protect sites during and after excavation and to ensure that, where appropriate, excavations are filled in or stabilised with adequate materials (e.g. Loffelstein blocks or army bags in geotextile) to the satisfaction of SAHRA and the landowner.

14. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.

15. SAHRA reserves the right to cancel this permit by notice to the permit holder.

16. This permit is subject to a general appeal and may be suspended should an appeal against the decisions
