PERMIT: Export (Permanent)

In terms of Section 32(19) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder: Thembiwe Russell
University of the Witwatersrand
Archaeology Collection

Object: 17772-Copper Provenance Study-BATCH-CASEID17772

To: Jay Stephens

The permit is an extension to PermitID 3439, which was issued to Dr. Thembi Russell (University of the Witwatersrand) on behalf of Jay Stephens (University of Arizona), for sampling and export of copper objects from archaeological sites in South Africa for a provenance study at the University of Arizona, USA. The materials are currently housed at the Universities of Cape Town and the Witwatersrand. An extension is granted until 31 December 2023 as requested.

1. Only the selected representatives of the material stored in the collection may be exported.
2. The material must be carefully packed, and all packaging must be clearly marked with the name of the site, and the name and address of the permit holder.
3. The material will be hand carried to the University of Arizona where Jay Stephens will be responsible for the analysis under the supervision of Prof. David Killick.
4. Jay Stephens is responsible for the transport of the material to the above-mentioned institutions/collections.
5. The samples must be used for study purposes only and may not be sold or exchanged.
7. Destructive sampling will be done at the Universities of Cape Town and the Witwatersrand where the objects are housed.
8. Un-used or left-over samples must be returned to the respective curatorial institutions.
8. A report on the activities undertaken in terms of this permit must be emailed to apmpermitreports@sahra.org.za before or on 31 December 2023 using the template in the following link: <https://sahris.sahra.org.za/content/apmpermitreports>.
