Dear Mr du Plessis

PERMIT: 80/05/09/009/51

Attached please find a permit to allow for the destruction of three Late Iron Age sites (BF2, 7 and 11) on the farm Bokfontein 448 JQ, in the Brits District, North-West Province. SAHRA understands that this permit only allows for the destruction of Stage 1 of BF11. Should mining impact Stage 2 of BF11 an application would have to be submitted to SAHRA to have this portion of the site mitigated.

This permit does not permit the destruction of non-archaeological sites. A separate permit would have to be obtained from the SAHRA: North West office for processing.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
