Permit Holder: Prof. Francis Thackeray  
Evolutionary Studies Institute  
University of Witwatersrand  
Private Bag 3  
Wits  
2050

**Site:** Kromdraai A and B (KROM01)

#### **Conditions:**

1. This permit is issued to Dr Francis Thackeray in collaboration with Dr José Braga (Université de Toulouse, France).
2. If the permit holder is not to be present on the site at all times then SAHRA must be provided with the names and qualifications of the authorised representatives.
3. The permit holder must ensure that the necessary environmental authorization/exemption has been obtained from the Cradle of Humankind World Heritage Site Managing Authority before commencing work on site.
4. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
5. A standard site record form must be lodged with the Evolutionary Studies Institute (ESI) at the University of the Witwatersrand.
6. All material collected and excavated, as well as field notes and records, will be curated by the ESI, who will be responsible for the permanent curation and safekeeping of all artefactual and palaeontological material in a condition that allows ongoing research.
7. An annual progress report on the results of the excavations and analyses must be submitted to SAHRA permit on or before 1<sup>st</sup> of November 2016 and 1<sup>st</sup> of November 2017. A final report is due on or before 1<sup>st</sup> of November 2018. SAHRA reserves the right to withhold further permits if progress is not deemed satisfactory.
8. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with SAHRA.
9. The final permit report can be made available to researchers on request within one year of the lapsing of

this permit.

10. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and the excavator is responsible for ensuring that he or she has an understanding with the landowner concerning: the number of visitors and workers; conditions for camping on the property; speed limits on access roads; possible prohibitions on off-road driving; size, type and number of vehicles permitted; possible prohibitions on trespassing beyond the site; disturbing fauna, flora or substrate; erection and demolition of structures on the Site; appropriate hours of visiting and working on the site; use of firewood, electricity and water; lighting fires and the prevention of uncontrolled fires and any fencing necessary to protect livestock. Conditions of access imposed by the landowner must be observed.

11. The licensed excavator shall be responsible for the activities and impacts of all colleagues, students and employees under his or her supervision and for their compliance with the terms of the Heritage Agreement and the Management Plan for this site.

12. Excavators must take measures to ensure the safety of any person who may enter the National Heritage Site as part of their excavation team or as their visitor.

13. It is the responsibility of the permit holder to protect sites during and after excavation and to ensure that where appropriate excavations are filled in or stabilised with adequate materials (e.g. Loffelstein blocks or army bags in geotextile) to the satisfaction of SAHRA and the landowner.

14. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.

15. SAHRA reserves the right to cancel this permit by notice to the permit holder.

16. This permit is subject to a general appeal and may be suspended should an appeal against the decisions be received by SAHRA within 14 days from the date of the permit. SAHRA may not be held responsible for any costs or losses incurred in the event of the suspension or retraction of this permit.

This permit is valid from **07/10/2015 to 07/10/2018**.
