## PERMIT: Excavation

### In terms of Section 35 of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder:

Mr Charles Shapiro  
Aqua Explorations  
19 Fairview Crescent  
Milnerton Ridge  
7441  
Cape Town

**Site:** Colebrooke (SHIPWRECKID1893) approximately at 34° 13' 52.2588" S, 18° 50' 35.2788" E

Conditions for the removal of artefacts and disturbance of the wreck known as the "Colebrooke" wrecked in 1778 at S 34 13.871' E 018 50.588'

1. Work must be limited to the exploration and recovery of material from the "Colebrooke".
2. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorised representatives.
3. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. The positions of all datum points and excavations, and all artefacts removed from the wreck must be marked on an accurate plan of the site, which must also include a title, date, north arrow and scale.
4. This permit gives the holder the sole right to work on the site for the duration of the permit period.
5. A detailed log book must be kept to record daily progress, the mapping and location of finds, features of the wreck and sea and weather conditions.
6. All artefacts removed from the site must be tagged and numbered prior to removal, and the number and description of each artefact entered into an accession register with pre-numbered pages. A copy of this accession register must be submitted to the heritage authority with the annual report.
7. The permit holder must work closely with the SAHRA, and all artefacts and materials recovered must be recorded, preserved and identified in collaboration with SAHRA. No artefacts may be disposed of without the permission of the heritage authority.
8. All archaeological material collected and excavated, as well as field notes and records, will be curated by the the permit holder.
9. An annual progress report on the results of the excavations and analyses must be submitted to the heritage authority issuing this permit on 31 January 2014, and a final report is due on or before 31 July 2014.
10. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with the heritage authority.
11. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
12. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, where applicable, and conditions of access imposed by the landowner must be observed.
