PERMIT: Remove from its original position

In terms of Section 36(3) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder: Ms Stephany van der Walt

PGS Heritage and Grave Relocation Consultants

PO Box 32542 Totiusdal 0134

Site: Tweefontein Coal Mine ,Witbank (Tweefontein Optomization Project 2 Exhumations 1)

Conditions: PGS was appointed by Glencore South Africa (PTY) Ltd to affect the relocation of 104 graves located in two (2) different cemeteries on the farms Klipplaat 14 IS and Boshmansfontein 12 IS, Mpumalanga. Martins Funerals (Emalahleni) will be responsible for the handling and reburial of the exhumed human remains. The graves will be impacted by mining activities hence the need to relocate.

1. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
3. A standard site record form must be lodged on SAHRIS.
4. Human remains must at all times be handled with respect and graves should not be disturbed except where unavoidable. The consultation procedures as indicated in the Regulations and the National Heritage Resources Act must be observed as appropriate. The recommendations for removal of graves and exhumations and for re-burial stipulated in SAHRA's Policy 'What to do when graves are uncovered', section 3, must be observed as far as possible. A report on the specimens recovered and their origin must be submitted to the heritage authority annually on or before 30 September 2017 for the duration of the permit.
5. All remains recovered, including relics and artefacts, must be kept with the skeletal material and be reburied at the several local cemeteries as chosen by the next of kin.
6. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with the relevant provincial heritage authority and SAHRA.
7. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
8. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
