## **PERMIT: Remove from its original position**

**In terms of Section 36(3) of the National Heritage Resources Act (Act 25 of 1999)**

Permit Holder: Mr Marko Hutten

Hutten Heritage Consultants

P.O. Box 4209

Louis Trichardt

0920

**Site:** Ivanplats - Platreef Resources (Ivanplats - Platreef Resources)

Conditions: PGS Heritage has been appointed by Ivanplats (Pty) Ltd to affect the relocation of all graves that are located in various cemeteries within the fenced project area on the farm Turfspruit 241 KR near Mokopane in Limpopo. The project area was fenced in February 2015. The graves within this fence will be adversely impacted by the planned infrastructure of the Ivanhoe Platreef Platinum Mine. The initial heritage impact assessment was conducted by Digby Wells and submitted to SAHRA in October 2013. Within the project area a bulk sample area is where the first shaft is currently being sunk. The bulk sample area was walled in late 2013. A focussed impact study of the bulk sample area was conducted in October 2013 by Digby Wells. Since then, continual engagement with the surrounding community has been underway. Of the 84 graves included in this application 3 graves are known to be older than 60 years and the age of 80 of the graves are unknown.

1. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
3. A standard site record form must be lodged on SAHRIS.
4. Human remains must at all times be handled with respect and graves should not be disturbed except where unavoidable. The consultation procedures as indicated in the Regulations and the National Heritage Resources Act must be observed as appropriate. The recommendations for removal of graves and exhumations and for re-burial stipulated in SAHRA's Policy 'What to do when graves are uncovered', section 3, must be observed as far as possible. A report on the specimens recovered and their origin must be submitted to the heritage authority annually on or before 30 September 2017 for the duration of the permit.
5. All remains recovered, including relics and artefacts, must be kept with the skeletal material and be reburied at the chosen cemeteries by the next of kin.
6. Reprints of all published papers or copies of theses and/or reports resulting from this work must be
