PERMIT: Excavation

In terms of section 35(4) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder:

Mr Eric Ndivhuho Mathoho
Vhufahashu Heritage Consultancy CC
45 Voortrekker St
Polokwane
0700

Site: Stone wall enclosure and possible graves on Schaapkraal 42 JT (Stone wall enclosure) approximately at 25° 50' 55.5" S, 30° 9' 45.2988" E

For: Excavation of Iron Age stone walling on Farm Schaapkraal 42 JT and test excavation of possible graves.

Conditions:

1. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
3. A standard site record form must be lodged with a Museum in the Mpumalanga Province.
4. The material may be temporarily stored at the Polokwane Museum.
5. All archaeological material collected and excavated, as well as field notes and records, will be curated permanently by a Museum in the Mpumalanga province with a suitably qualified archaeologist.
6. An annual progress report on the results of the excavations and analyses must be submitted to the heritage authority issuing this permit on or before the 1st of September 2013.
7. If test excavation shows the heap mounds to be graves, a permit in terms of s.36 of the NHRA must be applied for. Relocation may be considered dependant on the result of the mandatory 60 day public participation process as requested in section 36 of the NHRA (Act no. 25 of 1999).
8. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with the heritage authority.
9. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
10. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
11. It is the responsibility of the permit holder to fill in excavations and protect sites during and after excavation to the satisfaction of the heritage authority and the landowner.
12. The heritage authority shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
