2. The permit holder must contract a qualified archaeologist to monitor activities on site during filming. We understand that you have asked Mr Peter Beaumont to do this.
3. The film crew will make every effort to ensure that the site is not disturbed. This would include:
  - consultation with the archaeologist prior to any activities commencing on site to advise on any archaeologically sensitive areas which must be avoided;
  - the use of heavy equipment on site, which may cause damage to the site, should be discussed with the archaeologist prior to filming to allow for alternative solutions to be assessed;

  - ensuring that the lighting on the cave walls to illuminate the paintings is used only after consultation and to the specifications of the archaeologist.
