HWC APPLICATION No. 2005/12/APM 003
HWC REF. No. C13/3/6/2/1/1/1/1/C12
PERMIT No. 2005-12-003

Issued under Section 35(4) of the National Heritage Resources Act, Act No. 25 of 1999 and the Western Cape Provincial Gazette 6061, Notice 298 of 2003. Permission is hereby given:

to: Mr Rune Alexander Fredriksen,
of: c/o Prof C. Henshilwood, African Heritage Research Institute, 167 Buitenkant Street, Gardens, 8001 Cape Town,
for: damage for the purpose of sampling of 7 ochre pieces (187 g in total) from square O29 forming part of the Byneskranskop 1 site collection, curated at the IZIKO: South African Museum, in order to undertake XRF analysis in the Dept of Earth Science at the University of Bergen, Norway,
from: Byneskranskop 1 shelter,
in: the Hermanus Magisterial District, Western Cape Province.

The following conditions apply:

1. Ochre samples must be selected by the permit holder in consultation with the excavator or curator who must ensure that comparative samples are retained in the collections, and that any samples not used by the analyser are returned to the collections.
2. Sampling must be done with minimum damage to the artefacts or objects and according to principles outlined in the application from the permit holder. Special care should be taken not to grind more than the minimum required for analysis. Any residues should be returned to the IZIKO: South African Museum.
3. The ochre samples must all be labelled with the relevant accession numbers and all packets and boxes containing the samples must be labelled with accession number, the name of the site, and the name and address of the institution where the collection is kept.
4. A progress report on the results of the analyses must be submitted to HWC on or before 1 August 2006, and a final report is due on or before 1 December 2006.
5. Ochre samples must be returned to IZIKO: South African Museum before or on the expiry date of this permit.
6. Reprints of all published papers, or copies of theses or reports resulting from this work must be lodged with HWC.
7. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
8. HWC shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
9. HWC reserves the right to cancel this permit by notice to the permit holder.

This permit is valid until 1 December 2006.
