This permit is allocated for the exhumation and relocation of human remains at Site TRP001 and TRP002 that are protected in terms of section 36(3) of the National Heritage Resources Act 25 of 1999 as consented by the next-of-kin(s). The following conditions must be adhered to.

Conditions:

1. This permit is issued to Mr. Edward Matenga on behalf of Two Rivers Platinum Mine.
2. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorized representatives.
3. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a site plan.
4. A standard site record form must be lodged on SAHRIS.
5. Human remains must at all times be handled with respect and graves should not be disturbed except where unavoidable. The consultation procedures as indicated in the Regulations and the National Heritage Resources Act must be observed as appropriate. The recommendations for removal of graves and exhumations and for re-burial stipulated in SAHRA's Policy 'What to do when graves are uncovered', section 3, must be observed as far as possible.
6. A final report on the results of the relocation and reburial must be submitted to the case as a Heritage Report file by the date of the expiry of the permit using the template in the following link: <https://sahris.sahra.org.za/content/apmpermitreports>. SAHRA reserves the right to withhold further permits if
