

PERMIT: Excavation

In terms of Section 27(18) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder: Dr Job M. Kibii
Evolutionary Studies Institute
University of Witwatersrand
Private Bag 3
WITS
2050

Site: Gondolin, Broederstroom 481 JQ, North West (9/2/212/0016)

This permit is issued to Dr Kibii in collaboration with Dr Steininger for the excavation of miners dump and *in situ* fossil deposits at the National Heritage Site of Gondolin within the World Heritage Site of the Fossil Hominid Sites of South Africa.

Conditions:

1. At least one of the two permit holders is to be present on the site at all times. If this is not possible SAHRA must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
3. A standard site record form must be lodged with the Evolutionary Studies Institute at the University of Witwatersrand.
4. All material collected and excavated, as well as field notes and records, will be curated by the Evolutionary Studies Institute at the University of Witwatersrand, who will be responsible for the permanent curation and safekeeping of all artefactual and fossil material in a condition that allows ongoing research.
5. An annual progress report on the results of the excavations and analyses must be submitted to SAHRA by the end of September 2015, 2016 and 2017. A final report is due on or before the end of September 2018, unless the permit holders wish to apply for renewal of the permit. The application for renewal must be submitted along with a final report at least 30 days prior the expiring date of the permit.
6. SAHRA reserves the right to withhold further permits if progress is not deemed satisfactory.
7. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with SAHRA.
8. If a published report has not appeared within one year of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
9. It is the responsibility of the permit holders to obtain permission from the landowner for each visit, and

- the excavator is responsible for ensuring that he or she has an understanding with the landowner concerning: the number of visitors and workers; conditions for camping on the property; speed limits on access roads; possible prohibitions on off-road driving; size, type and number of vehicles permitted; possible prohibitions on trespassing beyond the site; disturbing fauna, flora or substrate; erection and demolition of structures on the Site; appropriate hours of visiting and working on the Site; use of firewood, electricity and water; lighting fires and the prevention of uncontrolled fires and any fencing necessary to protect livestock. Conditions of access imposed by the landowner must be observed.
10. The licensed excavators shall be responsible for the activities and impacts of all colleagues, students and employees under his or her supervision and for their compliance with the terms of the Heritage Agreement and the Management Plan for this site.
 11. Excavators must take measures to ensure the safety of any person who may enter the National Heritage Site as part of their excavation team or as their visitor.
 12. It is the responsibility of the permit holders to protect sites during and after excavation and to ensure that where appropriate excavations are filled in or stabilized with adequate materials (e.g. Loffelstein blocks or army bags in geotextile) to the satisfaction of SAHRA and the landowner.
 13. The excavators are required to list, map and describe the significance of the current and proposed important witness sections at the site in the first report submitted to SAHRA after excavation has commenced.
 14. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
 15. SAHRA reserves the right to cancel this permit by notice to the permit holders.

This permit is valid from **15/09/2014 to 30/09/2017**.
