PERMIT: Excavation

In terms of Section 35(4) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder: Mr Anton Pelser
APelser Archaeological Consulting
P.O. Box 73703
Lynwood Ridge
0040

Site: Tubatse Switching Station Site 12 (T12) approximately at 25° 33' 55.2096" S, 30° 31' 40.476" E

This permit is for the mitigation of impact to the identified Late Iron Age Stone Walling site likely to be impacted by the construction of the Tubatse Switching Station. This permit is for the excavation and destruction of only those heritage resources which will be directly impacted by the proposed development.

Conditions:

1. If the permit holder is not to be present on the site at all times then SAHRA must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
3. A standard site record form must be lodged with the Lydenberg Museum.
4. All archaeological material collected and excavated, as well as field notes and records, will be curated by the Lydenberg Museum.
5. An annual progress report on the results of the excavations and analyses must be submitted to the heritage authority issuing this permit on 31 August 2014, and a final report is due on or before 31 August 2015.
6. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with SAHRA.
7. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
8. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
9. It is the responsibility of the permit holder to fill in excavations and protect sites during and after excavation to the satisfaction of the heritage authority and the landowner.
10. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
11. SAHRA reserves the right to cancel this permit by notice to the permit holder.

This permit is valid from **20/08/2013 to 31/08/2014**.
