

PERMIT: Excavation

In terms of Section 27(8) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder: Dr Colin Menter
University of Johannesburg - Centre for Language and Culture in Africa
P.O. Box 524
Auckland Park
2006

Site: Drimolen, Sterkfontein 519 JQ, Gauteng (9/2/233/0018)

This permit is an amendment of the original permit issued on the 8th of June 2012 to Dr Menter. This new permit includes Ms Baker as permit holder under Condition 1. All other conditions included in permit ID 62, but condition 7, remain unchanged and are applicable. Condition 7 is amended here below.

Conditions:

1. This permit is issued to Dr Menter and Ms Baker in collaboration with Prof. Thea de Wet.
2. The permit holders must ensure that the necessary environmental authorization/exemption has been obtained from the Cradle of Humankind World Heritage Site Managing Authority before commencing work on site.
3. If the permit holders are not to be present on the site at all times then SAHRA must be provided with the names and qualifications of the authorised representatives.
4. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
5. A standard site record form must be lodged with the Bernard Price Institute for Palaeontological Research.
6. All material collected and excavated, as well as field notes and records, will be curated by the Bernard Price Institute for Palaeontological Research, who will be responsible for the permanent curation and safekeeping of all artefactual and palaeontological material in a condition that allows ongoing research.
7. An annual progress report on the results of the excavations and analyses must be submitted to SAHRA on or before the 1st of July 2014 and on or before the 1st of July 2015. A final report is due on or before the 1st of July 2016. SAHRA reserves the right to withhold further permits if progress is not deemed satisfactory.
8. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with SAHRA.
9. If a published report has not appeared within one year of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
10. It is the responsibility of the permit holders to obtain permission from the landowner for each visit, and the excavator is responsible for ensuring that they have an understanding with the landowner

concerning: the number of visitors and workers; conditions for camping on the property; speed limits on access roads; possible prohibitions on off-road driving; size, type and number of vehicles permitted; possible prohibitions on trespassing beyond the site; disturbing fauna, flora or substrate; erection and demolition of structures on the Site; appropriate hours of visiting and working on the Site; use of firewood, electricity and water; lighting fires and the prevention of uncontrolled fires and any fencing necessary to protect livestock. Conditions of access imposed by the landowner must be observed.

11. The licensed excavators shall be responsible for the activities and impacts of all colleagues, students and employees under their supervision and for their compliance with the terms of the Heritage Agreement and the Management Plan for this site.
12. Excavators must take measures to ensure the safety of any person who may enter the National Heritage Site as part of their excavation team or as their visitor.
13. It is the responsibility of the permit holders to protect sites during and after excavation and to ensure that where appropriate excavations are filled in or stabilized with adequate materials (e.g. Loffelstein blocks or army bags in geotextile) to the satisfaction of SAHRA and the landowner.
14. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
15. SAHRA reserves the right to cancel this permit by notice to the permit holders.
16. This permit is subject to a general appeal and may be suspended should an appeal against the decisions be received by SAHRA within 14 days from the date of the permit. SAHRA may not be held responsible for any costs or losses incurred in the event of the suspension or retraction of this permit.

This permit is valid from **23/04/2014 to 01/07/2015**.
