Permit Holder: Mr Gavin Anderson

Umlando: Archaeological Surveys & Heritage Management

Site: Zulti North (Zulti North)

- **The permit is limited to the area that requires archaeological mitigation as per the RBM Zulti North Environmental Management Plan 2014-2016. Work outside this area will require additional permits.**
- If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorised representatives.
- Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
- All archaeological material collected and excavated, as well as field notes and records, will be curated by the Institute.
- An annual progress report on the results of the excavations and analyses must be submitted to the heritage authority issuing this permit on 31/01/2022 and 31/01/2023, and a final report is due on or before 31/01/2024.
- Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with the heritage authority.
- If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
- It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
- It is the responsibility of the permit holder to fill in excavations and protect sites during and after excavation to the satisfaction of the heritage authority and the landowner.
- The heritage authority shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
