## **PERMIT: Remove from its original position**

**In terms of Section 36(3) of the National Heritage Resources Act (Act 25 of 1999)**

Permit Holder: Mr Henk Steyn

PGS Heritage and Grave Relocation Consultants

PO Box 32542

Totiusdal

0134

**Site:** Remainder portion of the farm Blesbokfontein 38 IS, close to Ogies, Mpumalanga Province (Relocation of 15 graves from RE of the farm Blesbokfontein 38 IS)

PGS has been appointed by Glencore South Africa (PTY) Ltd (iMpunzi Complex) to affect the relocation of 15 graves located in an informal burial ground (ATC02) and conduct test excavations close to old farm worker houses located on the RE portion of the farm Blesbokfontein 38 IS, Mpumalanga. The graves will be affected by the expansion of coal mining in the area. According to the HIA conducted, there were farm worker houses in the area approximately 200m southeast of the burial ground. Test excavation needs to be conducted in this area to confirm if graves are present. This permit is allocated for the exhumation and reburial of all graves that fall under section 36 of the NHRA legislation and for conducting test excavation. Permission for graves that are not covered under this permit must be obtained from the responsible permitting authorities.

Conditions:

1. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorized representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a site plan.
3. A standard site record form must be lodged on SAHRIS.
4. Human remains must at all times be handled with respect and graves should not be disturbed except where unavoidable. The consultation procedures as indicated in the Regulations and the National Heritage Resources Act must be observed as appropriate. The recommendations for removal of graves and exhumations and for re-burial stipulated in SAHRA's Policy 'What to do when graves are uncovered', section 3,

must be observed as far as possible.

5. A permit report is due by **30 June 2019**. A preliminary report must be submitted within three months from the date this permit is issued.

6. All remains recovered, including relics and artefacts must be buried at a local municipal cemetery.

7. Reprints of all published papers or copies of theses and/or reports resulting from this work must be lodged with the relevant provincial heritage authority and SAHRA.

8. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.

9. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.

10. It is the responsibility of the permit holder to fill in excavations and protect sites during and after excavation to the satisfaction of the heritage authority and the landowner.

11. The heritage authority shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.

12. The heritage authority reserves the right to cancel this permit by notice to the permit holder.

This permit is valid from  
**14/06/2018 to 14/06/2019**
