Site: Paardekop Test Excavations on Portion 1 on the Farm Transvalia 444, Mpumalanga (Transvalia 1/444)

PGS Heritage (Pty) Ltd has been appointed by Bayat Attorneys Inc. on behalf of the Vilakazi family to conduct test excavations in an area of approximately 9 square meters on the farm belonging to the Nel Family Trust. The aim of the test excavations will be to locate the graves belonging to the twins of Mrs Nomusa Vilakazi. The possible graves are located on Portion 1 of the Farm Transvalia 444 in the Mpumalanga Province.

Conditions:

1. If the permit holder is not to be present on the site at all times then the heritage authority must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be employed. Note that the position of all excavations and objects collected must be marked on a plan of site.
3. A standard site record form must be lodged on SAHRIS.
4. If human remains are uncovered during test excavations, the activity must stop until SAHRA BGG Unit has issued a relocation permit.
5. Human remains must at all times be handled with respect and graves should not be disturbed except where unavoidable. The consultation procedures as indicated in the Regulations and the National Heritage Resources Act must be observed as appropriate. The recommendations for removal of graves and exhumations and for re-burial stipulated in SAHRA's Policy 'What to do when graves are uncovered', section 3, must be observed as far as possible.
6. A permit report is due by 31 July 2018.
7. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
8. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
9. It is the responsibility of the permit holder to fill in excavations and protect sites during and after
