PERMIT: Alteration, Maintenance/Restoration

In terms of Section 34(1) of the National Heritage Resources Act (Act 25 of 1999)

Permit Holder: Vuyo Ngonyama
National Department of Public Works
Private bag X9027, Cape Town 8000

Site: Hermanus Fishing Harbour (Hermanus Harbour)

The MUCH Unit at SAHRA is pleased to approve the aforementioned permit application. The following terms and conditions apply:

1. If the permit holder is not present on the site at all times, the heritage authority must be provided with the names and contact details of his/her authorised representative(s).
2. This permit gives the holder and/or her authorised representative(s) the sole right to work on the site of the Hermanus Fishing Harbour Main Breakwater, Main Quay, Lead in Jetty, and Breakwater Jetty for the duration of the permit period.
3. Work must be limited to rehabilitation of the existing Main Breakwater, Main Quay, Lead in Jetty, and Breakwater Jetty using the methods outlined in the description of works attached to the permit application. All activities undertaken must be for the sole purpose of infrastructure upgrades to the Main Breakwater, Main Quay, Lead in Jetty, and Breakwater Jetty only.
4. This permit does not give authorisation for damage/disturbance of any cultural heritage material not mentioned in (3) above. Should any additional cultural heritage material be discovered and be at risk of damage/disturbance as the result of the activities undertaken under the authority of this permit, SAHRA must be notified immediately and work must cease and may not commence until feedback has been received from SAHRA.
5. It is the responsibility of the permit holder or his/her authorised representative to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
6. The heritage authority shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
