REF: HUMAN REMAINS FOUND AT KINROSS EXT 30

Dear Sir/Madam

We write to advise you that bones which were accidentally unearthed during trenching for water and waste reticulation at Kinross Ext 30 have been confirmed to be human remains representing a single individual.

We hope that there should be no objections from the Govan Mbeki Local Municipality for these bones to be reinterred in a formal cemetery. Going forward, we therefore request the municipality to write to us stating the same.

Sincerely

Oscar Sithole (B Eng Civil)
